

- 4- It is not permissible for one of the solidarities to submit a single offer or solidarity with another competitor to participate in the bid.
- 5- The pre-qualification stage is the only permitted stage for this solidarity. Qualified companies are prohibited from entering into solidarity with each other or with others after this stage or during the second stage (the bidding stage).

Foreign Companies

All the conditions and requirements of the above-mentioned local companies apply to it, in addition to permission from the Ministry of Economy to open a branch of the foreign company inside Libya, provided that it is valid.

Submission of a copy of the financial file inside a sealed envelope containing the following documents:

- 1- Certificate of proof of tax payment.
- 2- The company's financial position (the last 3 years) includes the balance sheet and final accounts for each year, profit and loss and other expenses approved by an external financial auditor.

Other Documents

- Previous experience is supported by the list of services subject to this tender, which were submitted inside and outside the State of Libya, supported by letters of recommendation signed by the legal representative of the parties to which those services were provided.
